

Wally Peters (R) Curling Club President, presents Billy Rose with life membership scroll.

Curlers Honor Billy Rose

Curling veteran Billy Rose was honored at a banquet in the Cardium Room Saturday evening by friends and fellow curlers. Highlight of the evening was

the presentation of a life membership plaque to Mr. Rose by Wally Peters, President of the Drayton Valley Curling Club. Mr. Peters expressed his pleasure

in presenting the life membership in recognition of Mr. Rose's many efforts on behalf of the club.

Mr. Rose was also given the pleasure of burning the promissory note that was paid off recently by the club as well as the note backed by himself. The bank loan of \$32,000 was incurred in rebuilding the rink following the fire in 1964.

Present to share the evening with Mr. Rose were several friends from out of town including the surviving members of the championship rink Mr. Austin Smith of Edmonton and Mr. Bartley Swelin of Hughenden. The other member of the rink, Billy's brother-in-law Mr. George Crooks, passed away four years ago.

Dr. Hank Shimbashi, acted as m.c. and introduced out-of-town guests who included Bill's son Norm Rose of Sedgewick; Bert Robinson of Jasper; Walter Buck of Fort Saskatchewan, M.L.A. for Clover Bar Constituency; Tom Wilson of Sedgewick; and George Anderson, also of Sedgewick.

Speakers recalled the events of the first Briar trip in 1945, followed by the winning effort in 1946. An ardent curler and sportsman himself, Dr. Walt Buck, the principal speaker for the evening, added his congratulations and best wishes.

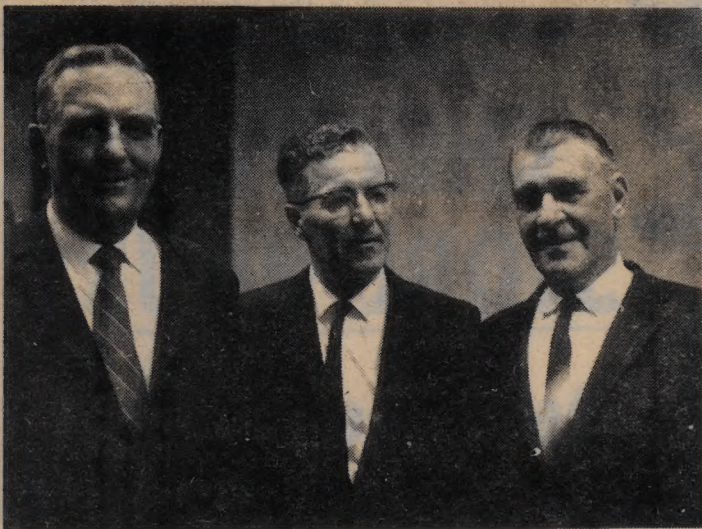

The Drayton Valley Club was organized in 1958 with Mr. Rose as its first president. Speakers noted that since then he gave freely of his time and effort on the club's behalf.

Further honors awaited Mr. Rose at the hockey game the same evening when he was presented with a lifetime pass to Rebel games by Club President Doug Barnes in recognition of his many efforts toward minor and senior hockey in the community.

OFFICERS ELECTED

A regular meeting of the Alder Flats 4-H Beef Club was held in the Legion Hall on October 8th.

New officers elected were: Robert Maciborski, President; Rena Maciborski, Secretary; Trudy Knight, Treasurer; Leonard Woytowich, Club Reporter; and Ross Larson, Junior Leader.

Members of the 1946 Briar Championship Sedgewick rink are shown above. From left to right, Austin Smith, Edmonton; Bartley Swelin, Hughenden, and Billy Rose of Drayton Valley. The fourth member of the rink George Crooks, passed away four years ago.

District Governor To Visit Rotary

Rotarians will welcome on Wednesday, December 3rd, the governor of this Rotary district, Russell McKinney of Stettler.

He will address the Rotary Club of Drayton Valley, one of 40 in his district, and will confer with Mr. Bob Mayhew, President of the local Rotary club, and with other club officials to obtain information on the group's plans for its service activities and to offer suggestions on Rotary administrative matters.

Mr. McKinney is one of 298 Rotary governors throughout the world who are serving as representatives of Rotary International in districts composed of member clubs. Each district leader is responsible for supervising the clubs in his area. Rotary, an

international men's service organization has more than 657,600 members in some 13,865 clubs in 146 countries.

A member and past president of the Rotary Club of Stettler, Mr. McKinney is a mutual fund broker. He was elected to office at the Rotary convention in Honolulu, Hawaii, U.S.A., in May, 1969 and will serve until June 30, 1970.

Though a seasoned Rotarian before his election to the office of District Governor, Mr. McKinney attended an eight-day international assembly last May at Lake Placid, New York, USA, at which all Rotary governors for 1969-70 attended in-depth seminars to plan for their jobs.

DRAYTON VALLEY, ALBERTA
WEDNESDAY, NOVEMBER 26, 1969

SCHOOL VOTE NEXT THURSDAY

Voters in the County of Parkland and Edson School Division will go to the polls on Thursday, December 4th to vote again on the proposed regional high school at Evansburg.

A plebiscite on the proposed \$1,350,000 school to be built at Evansburg by the Edson-Stony Regional High School District was defeated on July 24th. The result of the plebiscite was 674 against and 627 in favor.

The result of the plebiscite was subsequently challenged in court and ruled invalid necessitating the second plebiscite called for December 4th.

The debenture poll seeks approval to borrow \$1,350,000 for the construction of a masonry high school building with eight general classrooms. Additional facilities would include science rooms, language laboratory, library, home ec. room, industrial arts room, gymnasium, merchandising room, typing room and other unspecified rooms sufficient to provide a functional educational unit.

Voting is restricted to proprietary electors who are defined as electors of a division who are liable to assessment and taxation for school purposes in respect of property situated in the division.

In simple terms it means that the name of the person that appears on the title to property in the division is entitled to vote. In the case of joint ownership, both owners are entitled to vote.

No proxy voting will be permitted and all electors will be required to sign an oath verifying their right to vote.

Those who support a separate

school are not entitled to vote. Ballots should be marked with an (X), any other type of mark will spoil the ballot. Returning officer for the plebiscite is Mr. Chris Nielsen of Peers.

Plan Party For Children

Town and area children are invited to the annual Christmas party sponsored by Drayton Valley business-people.

Three shows will be held in the Cardium Theatre at 10:30, 1:30 and 3:30 on Saturday, December 6th -- free to children up to 12 years of age.

Santa will be present and treats will be distributed.

Fish and Game Meets Thursday

A general meeting of the Pembina Oilfield Fish and Game Association will be held on Thursday, November 27th at 8:00 p.m. in the Goliad Safety Hall.

A good attendance of members is requested to discuss details of the game supper proposed for sometime in January. It is now planned to hold the annual trophy awards night in conjunction with the game supper.

Rebels Win Two of First Three Games

By STAN ELCHUCK

The Rebels kicked off this new season with an 8 - 6 loss to Wetaskiwin and then came back to beat Ft. Saskatchewan 6 - 2 and Stettler 4 - 0 here in Drayton Valley over the weekend.

They are definitely a stronger team than last season in almost every department. There are a number of new faces in the line up for each game and they appear to be good ones. It is difficult to say which is the first line because the lines of Hall, Hemmingway and McGowan are as good as Novosel, Ness and Davie. The third line of Mundle, Haack and Elliott are not as strong offensively but their scrambling, skating, checking type of hockey keeps the opposition from scoring.

The story on defence speaks for itself with Colbert and Hopfe then Mayan and Rippel when they are seen playing. They are a tough nut to crack as the opposing forward lines have come to find out. Another defenceman Wayne Garding is having a bout with hepatitis and it is difficult to say how long it will take him to get back into the line up.

In goal, Lorne Foster (another new comer) and Barry Pankewicz appear to have the goalmouth pretty well stopped up.

Although the team looked

good over the weekend, like any other team in any sport, on any given day, can still be beaten.

Wetaskiwin did just that last Thursday when they turned the Rebels back 8 - 6. Scoring for the Colonels came from MacEachern with a hat trick, Sterzer with 2 and singles from Holt, Schaffer and Krezanowski.

Dan Davie and Barry Ness each notched a pair of goals and singles went to Hall and McGowan. The Rebels scored enough goals to win but failed to do enough back checking and this allowed the opposition to out-score them.

Last Saturday's game against the Huskies featured bone crushing body checks. Big Kevin Mayan bounced a few bodies as did Colbert and Hopfe.

Ron Hemmingway opened the scoring and Doug Hall made it 2 - 0 before the Fort appeared on the scoreboard with D. Dairie notching his marker. He took a hard check in the 3rd period and limped back to the bench with a terrible charlie-horse.

In the second period the Rebels got additional goals from Doug Hall, Keith Mundle and Al Hopfe who scored with a blistering slap shot from just inside the blue line. Mundle's goal was

(Cont. on Page 2)

Rebels Win 2 Out Of First 3 Games

(Cont. from Page 1)

pretty to see as Cliff Elliott carried the puck in, pulled the goalie to his right and then with perfect timing flipped the puck across the crease and Mundle tipped it in. Terry McGowan scored for the Rebels in the 3rd period and Pinnell replied for the Huskies.

Doug Hall was chosen as the first star, Lome Foster second, and the Huskie goaltender Ken Allard was awarded the third.

On Sunday, Barry Pankewicz was brilliant in the Rebel nets when he turned away all 28 shots directed at him and earned a well deserved shut-out. Stettler seemed to have the edge in play at the start of the first period but there was no scoring until the 6 minute mark when Frank Novosel scored in a fine effort that Ness and young Terry Jevne set up for him. Sunday's game was the second appearance in a Rebel uniform for Jevne. The fans also had a look at another young player, Nash, who alternated with Jevne on the Novosel, Ness line up Saturday. The game was kept close right up to the 17 minute mark of the second period when Ron Hemmingway deflected at Mayan, slap shot from the left point.

Barry Ness make it 3 - 0 just

2 minutes later, Ness scored again in the third period to complete the scoring and for his efforts he was awarded the second star.

Barry Pankewicz was given the first star for his shut-out and Doug Blaney from Stettler chosen third.

The Rebels will hold 2 practices during the week and then travel to Stettler to meet the Imperials in a 2 game series on grey-cup weekend. The next home game in on Tuesday, December 2nd when Wetaskiwin will be here at 8:30 p.m.

ST. ANTHONY'S NOTES

On Saturday, November 8th, St. Anthony's Students' Union held a hay ride at the farm home of Cheryl Ditchuk near Tomahawk. the ride lasted about one and one half to two hours after which hot chocolate and doughnuts were served beside a crackling fire. Another short ride followed the refreshments. Everyone had a good time.

Report cards were issued to all grades on Friday, November 14th, creating many dilemmas for the students. Parent-teacher interviews occurred on the afternoon and evening of Tuesday, November 18th at which time parents brought back the report cards and discussed them and their children with the teachers.

The Saints and Angels, our two teams attended a volleyball tournament in Wildwood on Saturday, November 15th. The girls secured third place out of four teams but the boys placed last.

On November 28th, the Students' Union is planning a "Hippie Day" and sometime next week we are planning a fund-raising campaign. We will be selling nuts and totody, a chocolate mix, to raise money for new uniforms and sports equipment.

WABAMUN NEWS

We were sorry to hear that Mr. and Mrs. Casely are leaving our district, but we wish them well in their new home at Cochrane, Alberta.

Mr. and Mrs. L. Appel have moved to Edmonton. We wish them well also.

It seems as though they are doing their best to get the rink fixed up, but the weather is just not co-operating. However, other work around the rink is getting attended to.

Belated birthday greetings go out to Mrs. Will Margerison, Mrs. K. Skutle, Mrs. D. Gunn and Mrs. R.M. Watt who all had birthdays this month.

Mr. Matula and Doug Sarich went big game hunting near Robb and brought home a moose. Good going boys.

There was an Artex party at the home of Mrs. D.M. Roberts Tuesday evening, November 18.

Mrs. E. Lawley of Gainford was the demonstrator. She had a lovely array of Christmas articles on show. Each member tried their luck and skill and there were some real nice samples done.

CHARLIE BROWN'S CHRISTMAS

Charlie Brown, Snoopy, Freida, Linus and a host of other favorite Charles M. Schulz Peanuts characters are on hand for a re-tecast of the Emmy award-winning animated color cartoon special A Charlie Brown Christmas, Wednesday, Dec. 17, at 8 p.m. on the CBC-TV network. In this story Charlie finds the real meaning of Christmas while directing a local pageant.

4-H LEADERS CONFERENCE

The 1969 Alberta Provincial 4-H Leaders Conference was held November 12th, 13th and 14th at the Macdonald Hotel, Edmonton with 227 leaders attending. A guest delegation of four leaders from Saskatchewan and four from Montana took part. This was the largest number of leaders attending in recent years.

A highlight of the afternoon discussion was the unanimous passing of a motion endorsing the administration of 4-H under the Department of Youth.

Thursday evening's program featured four 4-H members speaking and answering questions on 4-H summer programs that they had attended. Particularly stressed were methods of utilizing 4-H members who had received training during the summer.

Lindale Club Elects Officers

Members of the Lindale 4-H Swine Club elected new officers at a recent meeting. President is Shawn Bowen; Vice-President, Joe Van De Castle; Treasurer, Roger Martin; Secretary, Randy Robb; and Club Reporter, Heather Robb.

Club Leader is Mr. Tom Martin and Assistant Leaders Jim Robb, Bernice Horsman and Dennis Martin.

DISCOUNT DAY

LETTERS

TO THE
EDITOR

The Editor
The Western Review
Drayton Valley, Alberta

Dear Sir,

It is indeed surprising to find that those people who oppose the building of a Regional High School for the students of the east end of the Edson school division and the north-west end of the County of Parkland base their case solely on unsupported suppositions. One would suppose that those who are adopting a solidly negative attitude would support it by equally solid and positive facts.

Father Lynch claims that the rural population is declining. However, the figures he quotes related to the area north of Peace River - an area which some experts consider should never have been opened for homesteading. Even these figures have been challenged. The facts, relevant to the attendance area of the Edson-Stony Regional High School District No. 2, do not support Father Lynch's supposition. Moreover, these figures can readily be obtained from the office of the District (in Stony Plain). They show that the long-term anticipated enrollment is levelling off but only in relation to a declining birth rate. There is no evidence of any significant turn-over of farms nor of the kind of wholesale land consolidation which has led to rural depopulation elsewhere. The High School District has based its estimates on solid facts which Father Lynch has not succeeded in contradicting.

Perhaps the people have forgotten that the decision to build a regional high school was arrived at as the result of a conference called by Mr. Rierson, then Minister of Education. This meeting which consisted of the entire boards of Edson and Stony Plain school divisions, the Ministers of Education and Municipal Affairs and senior officials of both departments, was held in Evansburg in September 1967. Later an agreement was signed between the two divisions constituting the Regional High School District. This board prepared a statement of need and, after a thorough inspection by the Buildings Branch of the Department of Education, approval to build was granted in the spring of 1968. The delay in proceeding is due to the operation of those sections of the act which relate to consulting property owners in matters of debenture flotation. It should be remembered, however, that approved capital expenditures on new buildings are borne (up to \$18.00 per square foot) by the Foundation Program. Property owners throughout the province contribute 28 mills to this fund regardless of whether new schools are built in their district or elsewhere. In fact, the taxpayers of Edmonton and Calgary will contribute more towards the building of new schools in Evansburg and Drayton Valley than local taxpayers.

It has been hinted that a rejection of the regional high school by the voters on December 4th would automatically hand over its entire enrollment to Drayton Valley, thereby creating an undoubted need for a full vocational program in that town. Any reasonable study of the distances involved will show this idea to be utterly impractical. Moreover, the positioning of the south boundary of the regional high school district's attendance area on a line ten miles north of Drayton Valley does not constitute a "raid" on the enrollment of the Frank Maddock High School. Readily available data shows that the overwhelming majority of the students in the regional high school area live to the north and west of the junction of highways 57 and 16. There is thus no conflict for the body of students between the two schools.

Finally there is the matter of need. This writer is directly familiar with the facilities in Evansburg, Seba Beach and

Drayton Valley. We would indeed be very happy to have as good facilities as you presently have at Frank Maddock High School. Any fair-minded person would have to admit that there is an urgent need to up-date them. Moreover, it is a matter of dollars and cents which makes the regional high school a practical consideration. Any reasonable assessment of priorities would place the improvement of facilities in the regional high school area on a higher level than the extension or replacement of Frank Maddock High School. Once the regional high school is in operation this in itself will be a strong argument in favor of the building of a completely new high school in Drayton Valley. If the electors of Drayton Valley reject the plebiscite it might be assumed by the Department of Education that they did not support any improvement in high school facilities. It must be remembered that there are people who hold such views. By supporting the plebiscite the electors will make a positive assertion of their views and at the same time, by disposing of the question in relation to the regional high school district, raise their own school's priority to the top of the list. They might also remember that a similar vote may well be required within the County of Parkland before a stone is laid in Drayton Valley.

It is to be hoped that those who vote on December 4th will do so with all the facts in mind and will not be influenced by negative and purely local considerations.

Yours truly,
John Keast, Evansburg

Editor,
The Western Review
Drayton Valley, Alberta.

Dear Sir:

I would like to use the columns of your paper to ask all those people of our area concerned with education to be sure and get out and vote on December 4th, regarding the building of a high school at Evansburg to be shared jointly by Parkland and Edson School Division. Before you vote will you please weigh carefully the following statistics and facts, which prove that Drayton Valley is in far more dire need of school accommodation than any other point in the plebiscite area.

Average number of pupils per classroom grades one to nine, Drayton Valley 29, Evansburg 23. At present Drayton Valley is using four portable classrooms, Evansburg no portable classrooms. All Drayton Valley libraries are inadequate for the number of pupils involved. Storage space for audio-visual aids is non-existent and this equipment has to be crowded into the libraries.

The school population of Drayton Valley is increasing at the rate 4% per year compared to 4% decrease in the school population at Evansburg over the last year.

According to examination results reported at our Junior High Awards night the number of students achieving honours was exactly double the provincial average which shows that our teaching staff is of a very high calibre. How much longer can we expect them to be subject to this overcrowding situation?

On checking the Statement of Need of the proposed Parkland-Edson Regional High School dated July 24th, 1969, (the same plebiscite to be voted on December 4th, 1969) the projected enrollment from the Edson School Division for 1969 was 233 pupils. On checking the actual enrollments as of September 1969, Evansburg High, 135 pupils plus one half of the Niton Central enrollment of 27 pupils making a grand total of 162. What has happened to the 71 additional pupils which were shown on the statement of need for this proposed new school? If this makes you stop and think

DUE TO CERTAIN INCIDENTS HERE IN MONTREAL, COULD YOU REFRAIN FROM USING THE TERM 'THROWING THE LONG BOMB'?

EDITORIAL COMMENT

Regional School Fate Should Be Decided by Heavy Vote

Children in Niton Junction, Evansburg, Drayton Valley and every other community throughout the province are entitled to educational facilities as nearly comparable as possible. This should be accomplished with the economics of the particular situation in view and consideration of the most workable plan.

Does the proposed regional high school at Evansburg solve the problem in this particular area? This is the question voters will have to ask themselves before going to the polls on December 4th.

Based on the results of the last plebiscite, many people throughout the two areas involved didn't feel the school was the answer. Included among the objectors were many people in close proximity to the proposed school.

Drayton Valley residents are concerned about the future of schools in this town. And, unfortunately, this community has been criticized to a great extent and the defeat of the last plebiscite attributed largely to Drayton Valley by many people.

The facts don't bear the criticism out. The plebiscite was defeated at almost all polls in Parkland County although Drayton Valley recorded the heaviest "no" vote. It should be noted that Drayton Valley has a population of 3,500 and considerably more voters than other communities in the county so the heavier vote is a reasonable occurrence.

For the sake of review we should point out that the last plebiscite failed to carry at the following places in Parkland County: Wintburn, 12-4; Spruce Grove, 9-5; Stony Plain, 25-22; Duffield, 18-7; Keephills, 13-5; Seba Beach, 32-29; Drayton Valley, 88-19; and Lodgpole 4-3. It carried in Wabamun, 8-7; Tomahawk, 21-18; and Entwistle, 56-21. Parkland voters cast a total of 444 ballots, 247 opposed and 179 in favor. This can hardly be considered a show of either support or opposition when you bear in mind the fact that Evansburg (the location of the proposed school) turned out to vote 297 strong -- almost three-quarters of the total that voted in the enormous Parkland County.

Consider one further statistic. Almost half the "yes" votes (292 of 627) in the entire region, Parkland and Edson, were cast at Evansburg. How can Drayton Valley be accused of parochialism in this circumstance?

Right in the area of immediate concern there doesn't appear to be a great deal of harmony with Wildwood and Niton heavily opposing the school that Evansburg favored by a 292 to 5 majority in the last plebiscite. Would Evansburg support 292 to 5 the same school being built at Wildwood? And would Wildwood voters oppose the school 129 to 29 if it were being built in their community?

With almost 1½ million dollars at stake it is hoped that the next vote will be an outright, realistic expression by voters throughout the entire municipal units involved that will express with finality either support or opposition to the regional school concept.

As a voter in either area you should be very concerned and make a real endeavor to express your feelings. A minority vote could easily win or lose this important plebiscite that should be an expression of the vast majority of electors.

Make sure you qualify -- then make sure you vote.

TIME TO THINK ABOUT CHRISTMAS
ONLY 22 SHOPPING DAYS LEFT

LETTERS

TO THE
EDITOR

Editor
The Western Review
Drayton Valley, Alberta

Dear Sir:
Re: Post Office Accommodation

I want to clarify to the community my position relative to Post Office Accommodation in Drayton Valley, as it has been stated by some that I was opposed to the obtaining of a new Federal Post Office Building here, when in fact such is not the case.

The history of our communications with the Federal Department of Public Works, and the Postmaster General of Canada regarding this item extends back some five or six years, when representations were begun by the Town Council and the local Chamber of Commerce towards the obtaining of improved post office facilities here. During the days of the Diefenbaker Government, these representations resulted in the Government of Canada purchasing lots here for a future Federal building. When the Pearson Government came to power, plans for a new building were scrapped or delayed, and the lease of the present facilities was renewed for a further five years, to the fall of 1968. From early in 1968 continuous further representations were made by the Town and the Chamber for a new building, but to no avail. These representations were made both directly to the Government offices involved and through our local Liberal member of Parliament.

I wish to state that I supported these representations wholeheartedly throughout the times referred to.

The representations made by this community did finally result in a proposal by the Federal Government to put out the required facilities to tender for a 10 year lease. Three tenders were made to the Government, two of which involved the erection of a new building, and the third by Pembina Projects Ltd. on the basis of remodelling, renovation and extension of the present facilities. As the tender made by Pembina Projects Ltd. was considerably below the other two, they were successful in obtaining the proposed ten year lease for the Post Office facilities.

At this point, when Pembina Projects Ltd. applied to the Town for a development permit to do their renovations, their application was refused.

I objected to this refusal of a development permit, on the grounds that the Town had no valid legal basis on which to refuse the requested permit. I believed and still do believe that this refusal was a very obvious attempt to coerce the Government into providing a new building, by refusing to allow the renovation and extension of the existing premises.

This refusal by the Town Council to grant a development permit to Pembina Projects Ltd., resulted in a court action wherein the Town was overruled by a Court Order, and costs were awarded against the Town.

The obstructive tactics used by the Town in this matter resulted in a good deal of unnecessary friction, bitterness and expense to the taxpayers of some \$500

for court and legal fees.

I am all for the improvement and development of this community and the facilities and services within it, but I believe that in striving for these things we must take care to act in good faith, and with due regard for the legal rights of all those with whom we deal officially in this community.

Sincerely yours,
T. W. D. Johnson,
Councillor.

OPEN LETTER TO VOTERS

PLEBISCITE ON PROPOSED
EVANSBURG COMPOSITE HIGH
SCHOOL. DECEMBER 4TH, 1969

DON'T READ THIS if you are convinced that we need the Composite High School in Evansburg. If, however, you are not quite sure, or if you belong to the "if you can't beat 'em, join 'em" fraternity and don't even trouble to vote at all, read on.

This plebiscite is of vital importance to every tax-payer in Parkland County, including residents of towns and villages.

Do you believe that the interest of this district will truly be served by voting in favour of this project, or by not voting at all?

If you have any doubts about the feasibility of building this school in Evansburg, please take the time out of your busy schedule on December 4th to vote against it.

Apart from the location of the proposed school, at the extreme western boundary of the County, it seems that in order to go ahead a stipulated minimum number of students is required, which means transporting children away from areas now being adequately served by Frank Maddock High School. The estimated cost of the school is a million and a third dollars, but the Statement of Need did not mention any housing for the highly qualified staff essential for a school of this type. Apart from the extra cost of building teacherages, which will have to be met by the tax-payers, we wonder how many of these highly-qualified teachers will want to locate in a small country town. We also wonder whether the channelling of students away from Drayton Valley district will lessen our chances of getting a new school built here.

This plebiscite is a chance for us all to voice our opinions now - so let's get with it!

FACTS ABOUT FRUIT CAKE --
Have you made your Christmas cake yet? The aging of fruit cake seems to create a mellow flavour which no cook, no matter how skillful, can imitate. The richer the cake is in fruits, the longer will be the time required for its ripening. Freezing fruit cakes also improves the flavour, makes them easier to cut and prevents molding.

1) Fruit - use only moist fruit as dried out fruit, place it in a sieve and steam over boiling water.

2) Nuts - almonds will rarely become rancid so are the favorite for fruit cakes. To blanch almonds place in boiling water for about five minutes, until skins slip off easily.

3) Raisins and Currants - should be washed to remove any gritty particles. Scald and let stand in boiling water for about one minute, then drain and spread on cloth or paper to remove excess moisture. This softens the fruit as well as removing the dirt. Currants which are not good will rise to the top of the water.

4) Pans - use only Christmas cake pans that have been specially designed for the purpose and have deeper sides than layer cake pans. Line cake pans with a single thickness of aluminum foil - it is quicker and easier than using several thicknesses of brown paper.

5) To prevent fruit from sticking together and from sticking to the bottom of the cake - coat it with one cup of flour from the recipe.

6) Smooth Top - save about one

cup of batter before adding the fruit and nuts. Spread on top of the cake before baking.

7) Glaze - brush surface with hot syrup brought to a full boil. Before glaze hardens add decorations of toasted almonds and glazed fruit.

8) Bake - fruit cakes long and slowly at 250 degrees to 275 degrees F. To prevent the top from drying out place a shallow pan of water on the rack below the cake rack. If cake appears to be browning too fast cover loosely with tin foil or brown paper.

9) When is cake done? - a fruit cake is done when a steel knitting needle inserted in several places comes out clean.

10) Cakes may be stored - by wrapping in cheesecloth soaked in fruit juice or wine. Then wrap in aluminum foil or several layers of brown paper. Fold in ends well. A stone crock makes an excellent storage place for fruit cakes.

School Committee Regular Meeting

Minutes of a meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Friday, November 7th.

Present were Messrs. R. A. Bailey, Peter Bakker, L. N. Miller, R. Lent, George Mann, Ivan Vowk and W. Barth, School Committee Members, also Superintendent of Schools, Mr. Henry Toews, Assistant Superintendent, Mr. W. G. Wilson and Assistant Secretary-Treasurer A. W. Boychuk.

REPORT ON SALE OF SCHOOL BUSES

Mr. W. Barth presented the following report on the 3 school buses presently for sale:-

"We wish to advise that the 3 school buses that are presently for sale have been inspected and selling prices have been verbally agreed upon with the owners. In addition, we have the following to report:-

(a) Don O. Clarke - 1963 Ford 54 passenger school bus. Motor 3 years old, about 60%; Tires, fair condition, 2 extra tires; Bus very neat and clean in appearance; Agreed selling price \$3,250.

(b) Harry L. Hennig, 1963 IHC 54 passenger school bus. Motor, fair condition; Tires, fair, about 60%; Bus, very clean; Agreed selling price, \$3,250.

(c) Herman Steinke, 1962 GMC 36 passenger school bus; Tires, fair, 2 brand new ones; battery, new; new windshield and rear glass; Brake drums ground and new brake lining installed. Agreed selling price \$2,350.

We hereby recommend to the School Committee that the above buses be purchased at the agreed prices."

It was later discovered that Harry L. Hennig's school bus is a 1962 model and not 1963.

It was moved and carried that the report of the committee be accepted subject to re-appraisal of Harry L. Hennig's bus, the selling price not to exceed \$2,750.

It was moved and carried that the matter of R. W. McCullough's school bus overload be referred to Mr. Peter Bakker and the School Bus Committee for attention.

INTERVIEW RE: SCHOOL BUSING

Mrs. Steve Wasylyshyn, Mrs. Fred Stocyk and Mr. G. R. Yost came to see the School Committee regarding school busing. Their complaint was that their children get on the bus 2 miles west of the Manly corner but have to go to the Kapasiwin corner both in the morning and in the evening because of the con-

nections G. R. Yost has to make with George Martin's bus. Mr. G. R. Yost suggested alternating monthly in delivering the children from the south first and then the children from the north and vice versa. This seemed to be satisfactory to the parents concerned.

Mr. and Mrs. Emil Deering, caretakers at Spruce Grove, came to see the School Committee regarding remuneration for their services. They are not satisfied with having to do the work for evening functions without additional remuneration.

It was moved and carried that R. A. Bailey, Peter Bakker and George Mann be authorized to review the caretaking problem in Spruce Grove and submit a recommendation.

Mr. E. R. Williams came to see the School Committee regarding the use of the Duffield School gymnasium for square dancing. The Duffield Community Hall Board will not reduce their rates below \$25 per evening.

It was moved and carried that the Duffield School Gymnasium be rented to the Duffield Square Dancing Club under Clause 5 of the regulations - that is \$2.00 per hour to a maximum of \$4.00 per evening.

Mr. R. Lent registered a negative vote on the basis that this meant subsidizing public entertainment from taxation.

It was moved and carried that the report of Mr. R. K. McElhinney on his school bus accident be accepted; the recommendations contained therein be referred to the School Bus Committee for consideration and that a letter of commendation be sent to Mr. McElhinney for the manner in which he conducted himself throughout the whole ordeal.

MAINTENANCE SUPERVISOR'S REPORT

Mr. E. W. Hillyer presented the following report to the School Committee:-

1. Natural Gas was hooked up at Lodgepole on November 1st.

2. Gas lines are being installed at the Tomahawk, Keepphills and Duffield schools.

3. Mutual Propane will move the 5 tanks from Lodgepole to the three schools involved for \$25 a tank.

4. Gary Flindinger has been hired as a Mechanical Maintenance Helper at a wage of \$400 per month on a three month trial.

5. I have asked that the share or shares of Mutual Propane be transferred to the County from Lodgepole to enable the County to get

(Con't Page 8)

Sundance 4-H Club Reorganized

The reorganization meeting of the Sundance 4-H Garden Club was held on November 17th at the home of Mr. and Mrs. George Bentley.

We were sorry Mrs. Ferrier, our leader for the past two years, had to resign. Our new leader is Mrs. Charlet, who was warmly welcomed by the members.

Nomination and election of the executive for the year 1969-70 were as follows: President, Dorcas Hiltz; Vice-President, Wilma Charlet; Secretary, Sonia Onyschuk; Treasurer, Alvina Hiltz; Reporter, Terry Bentley; Historian, Nina Yakimovich; and Council Rep., Terry Bentley.

Other members are Diane Welch and Laura Blair.

At the next meeting program planning will be discussed. The date of this meeting will be announced at a later date.

BERRYMOOR NEWS

The Lindale Community Hall Association held a dance and social at the hall on the evening of Friday, November 14th. This event was well attended and the draw was made for a Hereford heifer that the association had raffled. The lucky winner was Mr. Ted Ice from Carrot Creek. We understand that he was very happily surprised when informed of his good fortune.

Get well wishes are extended to Mr. George Van Ember who is a patient in the Drayton Valley Hospital.

Ferry service on the Saskatchewan River at Berrymoor came to an end this week, until next spring.

We understand that a number of our local residents have purchased snowmobiles recently. Among them is Art Tweedle.

Mr. Jack Thatcher is the proud owner of a new half-ton truck.

Mr. and Mrs. Albert Pischke visited with Mrs. Hattie Barrett at her home in Breton recently.

Mrs. Florence Johnston has been away for a few days.

The November meeting of the Berrymoor Three B's Club will be held at the home of Mrs. Olga Van Ember on Saturday, November 29th. The club members plan to make a quilt that day.

Mrs. George Martin is still a patient in the Royal Alexandra Hospital in Edmonton. Her family and many friends hope to see her at home again and feeling better soon.

Mrs. Helen Anderson has had her sister, Mrs. May Jorgensen of Warburg, as a guest at her home for a few days during this past week.

Mr. and Mrs. Roy Lawson have been attending a municipal convention held in Edmonton during this past week.

gas rebates from Mutual Propane Company.

It was moved and carried that the Maintenance Supervisor's Report be accepted.

It was moved and carried that the School Committee agree to accept the pupils of the Enoch Band in the Spruce Grove Schools on the condition that a workable agreement can be negotiated with the Indian Affairs Branch.

MINIMUM AGE FOR SCHOOL CHILDREN

The question of minimum age at which children may transfer into the County Schools came up for discussion. There are 2 children in the area who will not be 6 years of age until 1970 but have already attended school in another country. The present policy is that children must be 6 years of age by December 31st of that year to be accepted in school.

It was moved and carried that the present policy regarding the age at which children, who have attended school elsewhere, can be transferred to a school in the County, be not changed.

It was moved and carried that Mr. Henry Toews review the policy as to the cost to the County and the possibility of bringing the starting age limit down to 5 years.

It was moved and carried that the request of the Drayton Valley B.P.O.E. to use the Elementary School Gymnasium for teen dances be tabled.

It was moved and carried that, since Hilliker and Bishop have not, as yet, submitted a report on the Memorial Composite High School, this matter be tabled.

It was moved and carried that the request of the Spruce Grove School for \$1,142 worth of musical instruments be granted.

DEVON SCHOOL BUS OVERLOADS

Mr. R.A. Bailey reported that so far he has been unable to eliminate the overloads on the Devon School buses. There are 173 pupils on 3 - 54 passenger buses and one boy drives by car. This makes a total overload of 12.

It was moved and carried that Mr. Ed Glubish be requested to purchase a 48 passenger bus and that his 30 passenger bus be purchased at an appraised price and advertised on a route to Devon to relieve the overloads there.

It was moved and carried that Mr. W. Barth and A.W. Boychuk be authorized to appraise the Ed Glubish school bus.

CLOCK SCOREBOARD MEMORIAL HIGH

It was moved and carried that an Electric Clock score board

be purchased for the Memorial Composite High School at an approximate cost of \$750.

It was moved and carried that schools in the County be closed from 3:30 p.m. on Tuesday, December 23, 1969 until the morning of Monday, January 5, 1970.

It was moved and carried that the account with Macleod Mercantile Ltd. at Spruce Grove for sport's equipment be paid.

A group representing the Association for children with learning disabilities, together with Mrs. Ken Howerly of Spruce Grove and Principals, C. Ursel and A.F. Olson came to see the School Committee regarding children with learning disabilities.

The various members of the group explained the work this Committee is doing with children in the City of Edmonton who under achieve in school.

It was moved and carried that permission be obtained from the School Buildings Board for an addition to the upper Elementary Junior High School now under construction to add enough classroom and ancillary space to accommodate an additional 400 pupils more than are being provided for at the present time in the school under construction.

Missionary League Rally Held

The Lutheran Womens' Missionary League Rally held at Drayton Valley on November 9th was well attended with approximately 125 members plus a number of pastors and guests.

Mrs. Mary Kjolien, zone president, informed us that the Biennial convention for the A.B.C. district would be held in Edmonton at Concordia College July 1970.

Approximately 80 members enjoyed a very delicious meal which was catered to by the Legion Ladies for the Every Member Stewardship Supper.

Pastor Hennig, who has been a missionary in Harrow, England for the past ten years, spoke about his work in England and showed slides. He is pastor at Gethsemy in Edmonton now.

Mr. Jack Schram showed slides on the Denver convention at Tomahawk on Friday, November 21st. Emmaus Drayton Valley members were invited to Tomahawk.

The Ladies Aid regular monthly meeting was held Thursday, November 20th with 12 members present. Pastor Mohr chose as his topic "Women Sufferage".

GAINFORD NEWS

Seventeen very proud boys were invested as Cubs into the 1st Gainford Wolf Cub Pack, Tuesday, November 11th. The program opened with the singing of O'Canada. The Cubs were then presented with their Tenderpad badge, scarf and woggle. One minute of silence was observed in respect for the war dead.

The boys played a few games and a speech to the Cubs and parents was given by Mr. Cec Pohl, Assistant Leader.

The program was brought to a close with everyone singing God Save The Queen. Mr. Jim Millar, Cub Chaplin, said grace and a lovely lunch was served by the ladies of the Gainford Royal Purple. Congratulations boys.

Quite a few people attended the Gainford Elks and Royal Purple Bingo Wednesday, November 12th. The jackpot will be \$140 on Wednesday, November 26th.

Recent visitors at the home of Mr. and Mrs. Clifford McConnell and family were Mrs. McConnell's parents Mr. and Mrs. Raymond Evans of Birch Hills, Saskatchewan accompanied by Mr. Leslie Cook from Hagen, Saskatchewan and Mr. Reg Evans also of Birch Hills. Mr. and Mrs. Raymond Evans and Mr. Cook are on their way to Victoria, B.C. for the winter. Mr. Reg Evans is on his way to Vancouver looking for employment.

Another meeting of the Gainford Community Society was held Thursday, November 13th. Plans were made to hold a bazaar and tea and bake sale Saturday, December 13th in the late afternoon followed by a turkey bingo. A Christmas hamper will also be raffled that evening.

Plans were also made to start immediately on a skating rink. Mr. Clifford McConnell is employed at Edson.

Mr. Jim Hauser attended the Hockey Coaches Clinic in Stony Plain on November 15th. Several ladies from Gainford

attended a Tupperware party at the home of Mrs. Carol Korsq in Seba Beach Saturday, November 15th.

Mrs. George Lawley attended a meeting of Artex liquid embroidery instructors in Edmonton, November 15th. A few more ideas were learned about painting on velvet and Christmas decorations.

Several men have started work on the skating rink.

CARNWOOD NEWS

Mr. and Mrs. Frank Cox were visiting Bentley and Red Deer last week.

Get well wishes go to Mr. Erik Wikner, who is a patient in the Drayton Valley Hospital. Also Mrs. Frank Belanger who is a patient in the Breton Hospital.

Mrs. Earl Jacobsen attended the 4-H Leaders Convention in Edmonton recently. An interesting feature of the meeting was a tour of the Provincial Museum.

YOU DON'T HAVE TO BE AN EXPERT TO QUALIFY FOR A FRANCHISE

Our Research Dept. has now completed a one year survey of the Canadian market and has compiled a catalogue of 150 franchise opportunities.

Many of these franchises can be operated from your own home on a full or part time basis.

The National Franchise Association of Canada is now authorized to release this valuable data to the Canadian public and make available modern marketing techniques in the franchise field.

Many of these franchises are available direct to you with no financial outlay and apply to men as well as women.

The 1970 edition of our Franchise and Marketing Directory can now be obtained at cost (on a limited basis only.) A must for anyone contemplating entering the Canadian franchise field.

To cover cost of publishing and handling . . . our cost to you is \$2.00.

Sundance Power Plant seen from the west.

Crane Operator at the controls watches movement of the bucket on TV monitors.

Unique Building Venture

A unique idea in communications services provided by Alberta Government Telephones recently played an important role in the construction of the 510 foot smokestack at the new Calgary Power Plant at Sundance on Lake Wabamun.

Construction workers were aided by a closed circuit television system specially designed for the job. A miniature TV camera was installed with a special armoured covering inside the base, another was mounted on the equipment which rose with the growth of the tower.

Two large TV monitors were installed in the cabin of the crane operator some distance from the actual site. Thus operators of the crane had greater control through a visual picture, both a worm's eye and a bird's eye view of the work in progress which meant safer and more efficient building.

Full operation of the new power station will begin in January, 1971, when it will be generating some 300 megawatts.

The "bucket", used to raise men and equipment to the top of the 510-foot stack, begins its ascent.

It was Denise's first baby sitting job. Everything went fine except for one slight oversight, as she explained later to her mother. Said Denise, "The

lady showed me where the TV was, where to find the pop and the potato chips and even the candy, but it wasn't until I heard someone crying that I realized

she had forgotten to tell me where to find the baby."

Mrs. Belcher Guest Speaker At Regular A.C.W. Meeting

All Saints Anglican A.C.W. met in the Parish Hall on November 11th. Guest speaker for the evening was Mrs. David Belcher, who gave a most interesting talk on Missions, with a very enlightening discussion following. Arrangements are being made to have the Treasurer's books audited.

A work bee will be held on November 27th in the Parish Hall to press articles for the bazaar. This work bee will commence after lunch and any ladies who have a few hours to spare are asked to lend a hand.

Final plans were made for the Annual Turkey Supper and Bazaar to be held Saturday, November 29th from 5:30 to 7:30 p.m.

Mrs. May Urchysyn and Mrs. Wilma Gordon are the members of the nominating committee and will endeavour to get a slate of officers ready for the next meeting which will be held at the home of Mrs. Wilma Gordon on December 9th at 7:30 p.m. Mrs. Joan Ingram and Mrs. Mary Ibbotson, our liason members of the Christian Action Group, are at the present time, setting up a program to welcome new members into our community and

"Citizen of Year Award" Presented at Evansburg

The Royal Canadian Legion Branch 196, Evansburg, held its annual November 11th parade from the Legion Hall to the Evansburg High School with Carl Bjornstad as Parade Marshal. The parade was led by Piper Malcolm Mac Grimson of Edmonton.

A large crowd attended the service in the auditorium with prayers and sermon by Pastor R. Koehn of Entwistle. Organist was Mrs. Stella Lorenz, and Last

Post and Reveille were played by Garry Lorenz. Wreaths were laid by Corporal Anderson, R.C.M.P. for the Legion; Mrs. P. Peterson for the Ladies Auxiliary Legion Branch 196; Fred Cherrington for the Elks and Ladies of the Royal Purple, Entwistle; and Mrs. Annie Tucker for Mrs. H. Greaves. A free lunch was served by the Ladies Auxiliary Branch 196 in the Legion Hall immediately following the service.

A dance was held in the evening with Carl Ohl's orchestra playing.

"Citizen of the Year" engraved plaque was presented to Fred Croft, and "Honorable Mention" awards were presented to Fred Soliski, Nigel Aspeslet, Mrs. Bea Tomlinson, and Mrs. Stella Lorenz. These awards are presented annually by the Royal Canadian Legion Branch 196 for outstanding voluntary service to the community. Carl Bjornstad,

who was master of ceremonies, was the 1968 "Citizen of the Year" award winner.

Lunch was served at midnight by the Ladies Auxiliary.

P.C.'s to Meet In Drayton Valley

A group of interested persons, including members from Edmonton and Leduc, held a meeting on November 15th in Drayton Valley, to re-organize an active Progressive Conservative group for the constituency of Stony Plain.

The Annual Constituency meeting will be held on December 6th in the form of a Dinner Meeting in Dave's Restaurant, Drayton Valley at 6:30 p.m. All interested people are welcome to attend. Membership cards will be available at the door. A special invitation is also extended to the younger set. Further details will be announced in next week's issue of The Western Review

MAGNOLIA NEWS

The Ladies Club held its November meeting at the home of Sophie Chechotko. Ten members were present. It was decided to hold a shower on Sunday, November 30th for Judy Reich. Marie June was the lucky winner of the tea prize.

Folks will be pleased to read that Ray Storms is resting comfortably at home.

Due to the very inclement weather and icy roads, the teen dance which was to be held in the hall during Friday evening was cancelled.

Cold weather and deep snow made it impossible for the local mail man to drive for the mail on Monday morning. However, thanks to two kind gentlemen, Martin Horne and Jeff Hampton, the mail arrived on time.

Don and Connie Rose have purchased a moderately large mobile home. Congratulations.

Len, Norma and Sherry Williams have returned to their home after spending about a week helping harvest the crop on Mr. and Mrs. Boddez's farm at Calahoo. They also visited with Mr. and Mrs. Williams at Onoway.

Mr. and Mrs. Alex Negraiff and family received a delightful surprise on Sunday, November 9th when Mr. and Mrs. Clattenburg of Tangier, Nova Scotia arrived to visit. These folks are the grand-parents of Mrs. Negraiff and travelled west by plane to spend the winter with relations.

Pat, Terry and Robby Brydges who have bought a home in Sherwood Park were out to visit at the McCracken home this past weekend.

Mrs. William Anderson is reported feeling more like her cheerful self again after her recent ill spell.

Kevin and Marvin Strangway are participating in the Sundance 4-H Beef Club. They are very enthusiastic members.

COLONELS vs REBELS

COUNTY OF PARKLAND No. 31

APPLICATION FOR SCHOOL BUS OPERATION

The School Committee of the County of Parkland No. 31 invites applications for a School Bus Operator.

The successful applicant will be required to purchase, from the County, a 1964 G.M.C. 30 passenger school bus in fairly good condition for the sum of \$2,600.00.

The route to be serviced is directly north of the Devon Schools. The daily mileage to be travelled is less than 50 and the route will pay between \$20.00 and \$21.00 per day. This is a new route to be established to take the overloads from the 3 other buses presently travelling to Devon.

Applicants must have a Class "A" Alberta Operator's license ("A Plus" after January 1, 1970) and must possess a reputable character and a good driving record.

Applications should be submitted in writing to the attention of the undersigned at the County Office in Stony Plain not later than 5:00 p.m. on Monday, December 1, 1969.

The School Committee reserves the right to accept or reject any application.

A. W. BOYCHUK,
Assistant Secretary-Treasurer
County of Parkland No. 31
Stony Plain, Alberta.

Kookies 1100, Team H.T., For-Get-Me-Nots 2963, High-Averages - Eleanor Metzger 216, Emma Pigeon 205, Marg Tuttle 204, Delia Duperron 195, Ruby Hurley 185.

Bowlers of the week are Richy Woods 339 and Ruth Disney 285.

Insurance salesman: "How would your wife carry on if you should die?"

Old man: "Well, I tell you, young fellow, I don't reckon that's any concern of mine - as long as she behaves herself while I'm alive."

Have you ever considered...

...how tax weight is lifted on Alberta estates?

With the proper kind of planning any person meeting qualifications prescribed by this province can take advantage of the estate tax rebate program regulated and administered by the Alberta Department of the Provincial Treasurer. Helpful information on eligibility for rebates to reduce tax burdens can be obtained through the office of the Administrator of the Estate Tax Rebate Branch. Since April 1st, 1967 when this type of rebate was first offered to Alberta estates, over 10,000 complementary reference booklets outlining benefits and explanatory notes have been widely distributed. Copies are still available on request to individuals interested in planning their personal estates. Speaking engagements or seminars with professional or other groups can be arranged through the Administrator. All applications by executors are processed and the amount of rebates payable under the program are calculated by this Branch as a service to heirs or beneficiaries.

...who separates the seeds from the weeds?

In a major project to help farmers help themselves, over 18 million bushels of seed are processed annually through provincially-assisted, municipally-located, locally-operated seed cleaning plants throughout this province. This is just one of the many crop improvement programs undertaken for the benefit of farmers by the Plant Industry Division of the Alberta Department of Agriculture. Over 20,000 farmers are involved in this project which results in

lower individual farm input costs, more efficient production, better crops, and a further ultimate saving of money that would otherwise be spent on weed control. Sixty-five seed plants are now in operation and two new plants, one at Manning, the other at Vilna, will soon be completed. An annual summary of grain cleaning operations is available through the Field Crops Branch of the Division.

...a 'blue print' of water and where it goes?

By contacting the offices of the Water Resources Division you can get detailed information about almost any lake in this province—including maps and such valuable facts as relative water levels over

the years and depth soundings for safe boating. A complete listing of over 140 lakes and their recorded data is available through this Division of the Alberta Department of Agriculture. Originally established to administer the use of water by license, its areas of service have been extended to include all aspects of development, conservation and utilization of water for agricultural, domestic, industrial and recreational application in the province. The director and staff of technicians and engineers co-operate and administer cost-sharing arrangements with cities, towns and municipalities in developing water projects. Day-to-day and long-range programs of licensing, planning, control and use of all surface and sub-surface water in the province are developed by this Division. A comprehensive "blueprint" of our water resources including precipitation and flow charts is available on request without charge.

...taking a trip through flowerland?

You can enjoy a summertime atmosphere and flourishing displays of flowers any time during the year by taking a tour of the Government Greenhouse maintained by the Physical Plant Division, Alberta Department of Public Works, on the legislative grounds in Edmonton. Over 30,000 visitors a year tour these facilities which are the source of seedlings and bedding plants for the flowerbeds decorating various provincial buildings throughout the province. This Division is also responsible for tree pruning and the upkeep of the lawns and grounds surrounding buildings. During winter months all sidewalks, roads and parking areas are cleared of snow by work crews employed by the Physical Plant Division whose other employees also operate and maintain the heating, air-conditioning and housekeeping of the government buildings.

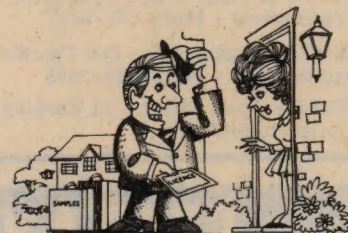

...who checks the cost of going and coming?

Reducing the price of imported merchandise through effective analysis and negotiation of transportation rates and charges is part of the over-all objective of the Alberta Freight Bureau. It also assists local industries and manufacturers broaden their marketing outlook through studies of total distribution patterns. The transportation analysts and researchers of the Bureau work directly with municipal agencies or private concerns developing projects to attract new industries to specific areas. Many suppliers take advantage of the facilities and re-

cords maintained by this Bureau in evaluating trends in costs for moving goods within the province, across the country, or to world markets with the eventual aim of creating more jobs and improving the provincial economy.

...asking for a licence, for your protection?

Working with businessmen and other agencies to resolve problems, particularly in the area of direct selling, is part of the broad scope of service undertaken by the Licensing Branch of the Alberta Department of Industry and Tourism. While the effect of

licensing is important in maintaining protective standards for over 40,000 business operations throughout this province it also offers built-in protection for you as a consumer. Before signing a contract or making a down payment for any goods or merchandise you can be sure any responsible soliciting salesman will readily show you that he and the company represented is properly licensed to do business in this province. It's a wise measure of protection to take, and all you have to do is ask for it. Any further doubts or complaints you have can be checked out with the Director or other officers of this Licensing Branch through main offices in Calgary and Edmonton.

COUNTY OF PARKLAND No. 31 APPLICATIONS FOR SCHOOL BUS OPERATION

The School Committee of the County of Parkland No. 31 invites applications for a School Bus Operator.

The successful applicant will be required to purchase from the County, a 1962 G.M.C. 36 passenger school bus in fairly good condition for the sum of \$2,350.00.

The route to be serviced is directly north and west of the Tomahawk school. The daily mileage travelled is about 64 and the route pays approximately \$25.00 per day. This is the route presently serviced by Mr. Herman Steinke. It will be available on January 5, 1970.

Applicants must have a Class "A" Alberta Operator's license (A plus after January 1, 1970) and must possess a reputable character and a good driving record.

Applications should be submitted in writing to the attention of the undersigned at the County Office in Stony Plain not later than 5:00 p.m. on Monday, December 1, 1969.

The School Committee reserves the right to accept or reject any application.

A.W. Boychuk
Assistant Secretary-Treasurer
County of Parkland No. 31
Stony Plain, Alberta

SUB-MITS

FROM THE ELEMENTARY
SCHOOL

Our school system tries to made provision for children of varying ability. One of these ways is the introduction of a low enrolment room for children with special learning problems. This room requires a teacher with special abilities. In our school Mrs. Barbara Colbert is entrusted with this position. Mrs. Colbert comes from Hanna. She took her training at the University of Alberta and is in her 5th year of teaching. She taught for three years in Calgary as a Special Class teacher and is in her second year here. Her hobbies include sewing, cooking, handicrafts and looking after her two pre-school boys. Here in her own words is a résumé of her classroom.

The Special Education Class (also called Opportunity Room) was set up for the purpose of giving children with learning problems the special help and individual attention they require. The total enrollment in this class is kept to a maximum of 12 pupils as it is felt that it is impossible to handle more than this number on an individual basis. The major emphasis is upon reading and language (oral and written) as the need to communicate is uppermost in a society such as ours. Arithmetic is taught with the "usefulness" aspect predominant. Concepts which are not generally useful are not taught. Health and safety are important to the individual's

EVANSBURG NEWS

Confident that winter is here to stay, the children got out the toboggans and our hill has been a busy place since the first heavy snowfall.

Ratepayers of the Improvement District held their annual meeting in the Community Hall in Wildwood recently.

Several ladies from the village are enjoying classes on making Christmas decorations, which are being held in the Entwistle Community Hall. Having attended one class myself, I can say that they are quite interesting. There are a number of seasonal decorations which can be made with things which are found around the house and which will brighten up the holiday season.

Members of the Styl FUA held their regular meeting at the home of Mr. and Mrs. P. Kremniuk recently. It was decided that the annual meeting would be held on December 16th at the Hollisprings Community Centre. This meeting is to be preceded by a pot luck supper and all members of the local are urged to attend. Since it is time for membership dues to be paid again, members are advised that these dues may be paid to Mrs. J. Mazeppa. Blue Cross membership payments may also be paid to her.

The village downtown area is undergoing a change these days as two buildings are being torn down. The old garage owned by Fielhaber Motors is almost all demolished now, as well as the old building that used to be known as the Anderson Cafe.

As some buildings go down, so others go up and the building that has recently gone up and had a grand opening is the new Marshall Wells Store operated by Mr. Rex Rimmer. Three grand opening days were held and draws for door prizes were made on each of the three days. Winners were: Mr. W. Bills from Entwistle, tea kettle; Mr. Barabash, Evansburg, gallon of paint; and Mr. Drew of Entwistle won a toaster. Here's wishing Mr. Rimmer the best in his new place of business.

Mr. Bruner has gone to the city for a few days to undergo some medical tests. Zane is still at home recuperating from his stay in hospital and is not able to return to school just yet.

It is not difficult to meet expenses these days. In fact, you meet them every time you turn around.

daily life, and are regarded from this point of view. Citizenship and responsibility are stressed.

Because the majority of children who are placed in a Special Class have not succeeded well before, some problems are found which affect attitudes towards others. The frustration and bitterness quickly disappear, however, when each child is permitted to go ahead at his or her own rate of success without being forced too quickly for tolerance.

Hobbies and crafts are taught one period (3/4 hr.) a week. The idea behind this type of activity is to introduce to the children the many kinds of things it is possible to do beautifully without being a great scholar. This helps them to realize that everyone does some things better than

others, and they accept their own limitations (of which they are well aware) much better.

Shop had been available for the boys for the previous two years, but since the highschool shop teacher's schedule was so overloaded this term, the arrangement is not possible at this time.

Some children who enter a Special Class do not go back into their regular program at all, but some (usually those who are immature for their age and difficulty in one subject area) are able to return, and do well, in an average classroom.

In either case, a child in difficulty has a special need, and it is the aim of a Special Education Class to fill this need.

Sincerely,
Olga Brown.

Each parcel will be offered for sale, subject to the approval of the Minister of Municipal Affairs and subject to a reserve bid and to the reservations and conditions contained in the existing Certificates of Title.

Terms: Cash.

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale.

Dated at the Town of Stony Plain, in the Province of Alberta, this 3rd day of October, 1969.

O. W. SCHUSTER,
Secretary-Treasurer.

(Extract from The Alberta Gazette, October 15, 1969)

Girl Guides Enrolled Recently

On November 12th, eleven Girl Guides were enrolled. To start the evening Joanne Chenery showed some films of The International Girl Guide Camp that she attended in Switzerland last summer. Joanne's films showed that she really had a good time and we hope that other girls from Drayton Valley will have the honour to represent Canada at similar international events.

Ten of the new recruits lit ten white candles representing the ten guiding laws. Another recruit lit a red candle representing the guide promise. Then one by one the girls were enrolled as they said their promise and promised to try to live up to the Laws and Promise of guiding.

The new recruits were Lori Brisebois, Jari Ann Horne, Delene Janishewski, Colette Lambert, Cathy Peterson, Michelle Shimbashi, Debbie Schultz, Cheryl Snider, Dinene Tyler, and Beverly Wayska.

Truck Registration Started This Week

Hon. Gordon E. Taylor, Alberta Minister of Highways and Transport, has announced that truck registration for winter work commenced Tuesday, November 25th, 1969, and that the necessary forms are available in the Highways Building, Edmonton, in the offices of the District Engineers at Medicine Hat, Lethbridge, Calgary, Red Deer, Edmonton, Vermillion, Athabasca, St. Paul, Peace River, and Grande Prairie. Truckers interested in participating in this program must register early and all registration will cease as of January 9th, 1970.

The program this winter is expected to be of limited volume and will be primarily in the more remote areas of the province. The nature of the work places much of the hauling in isolated areas requiring the trucker to have portable living accommodation. A number of the haul routes will be across muskeg terrain and out of some of the major river valleys. The operators must, therefore, be competent and have the trucks in good operating condition.

The registration forms must be completed in every detail, in duplicate, and must be completed by the trucker before a Commissioner of Oaths. Commissioners of Oaths are available at the points of registration and it is suggested that the most use be made of these people to expedite the registration.

People are beginning to think Datsun is a Canadian car

There's a legend that says foreign cars aren't a smart buy because it's hard to get them serviced and finding parts can drive you out of your mind. But Datsun is a foreign car. And it's a runaway best-seller.

How come?
Part of the reason could be because there are so many Datsun dealers around. Like 800 in North America. 200 coast-to-coast in Canada. Backed up by about two million dollars' worth of parts.
With that kind of support, Datsun just doesn't seem like a foreign car any more. It seems like a naturalized Canadian.

We don't mind if people forget that Datsun is an imported car. We've got lots of dealers to remind them.
Test-drive a Datsun at any of the 200 dealers in Canada.

the more-for-your-money cars from \$1845

THERE ARE NOW MORE THAN 20 DATSUN DEALERS IN ALBERTA

LIBRARY NOTES

The following new titles are submitted for your consideration. "On The Wings Of The Night" by Richard Newhafer. The book is dominated by a hurricane named "Margo".

"Run When I Say Go" by Hillary Waugh is described as fast and furious adventure that begins with a deadly version of hide-and-seek and ends in a fantastic game of blind-man's-bluff.

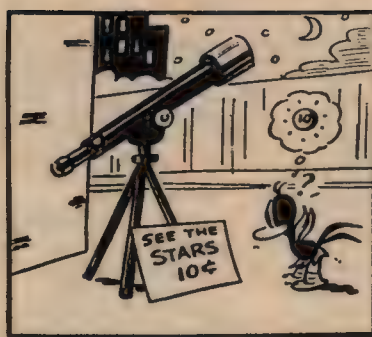

"Lions In The Way" by Bella Rodman was written especially for all young people interested in racial discrimination.

"Six-Horse Hitch" by Janice Holt Giles is for all readers interested in the old west and the stage coach days.

"Old Yeller" by Gipson is one of those books destined to be long remembered. Now Gipson's "Hound-Dog Man" is available too.

David Forrest has given his new book one of the longest titles we have ever seen. Doesn't "And To My Nephew Albert, I Leave The Island That I Won Off Fatty Hag-an In A Poker Game" rouse your curiosity?

Even though you may feel that you have no time to read why not spare a few minutes to come in and look around your municipal library?

A truckdriver pulled into a cafe to order his dinner. As it was being served to him, five of the "Hell's Angels" motorcycle gang walked in. One of them walked up to the table where the truckdriver was sitting, took his dinner, then sat at another table

and proceeded to eat it. The truckdriver never said a word -- just paid his bill and left. The Hell's Angel said to the restaurant owner, "He's not much of a man -- he wouldn't even fight for his dinner." The owner said as he looked out the window,

"He's not much of a truckdriver either, he just ran over five motorcycles."

Plenty of horse sense still around. Unfortunately, most of it remains with the horses.

Voting Edson-Stony By-Law Poll

1. Poll on school debenture by-law no. 1969-2 will be conducted on Thursday, December 4, 1969, from the hour of 1:30 p.m. to the hour of 7:30 p.m. in the polling places shown on the notice of debenture poll, as published.
2. The poll will be conducted under the provisions of the School Act only.
3. There will be no advance poll, no voting by proxy and no voting as representatives on behalf of corporations. There is no provision for this in the School Act. The poll is restricted to proprietary electors only as defined by the School Act.
4. Sections 2 (g), 2(s) and 105 of the School Act state - "A proprietary elector is a person who is a Canadian citizen or British subject, nineteen years of age or over, resides in the district or division and who has resided therein for at least twelve months immediately preceding voting day, who is liable to assessment and taxation for school purposes in respect of property situated in the district, division, or county."

The person thus liable to assessment and taxation for school purposes would be the registered owner or conditional owner or purchaser of property under an agreement of sale. The spouse of a proprietary elector would be entitled to vote only if her name also appears on the documents mentioned.

5. Section 244 (4) a proprietary elector may cast his vote at any poll in the division other than that in his district or that at which he has been directed to vote, if before voting he completes the declaration, in the form prescribed by the minister, that he is a proprietary elector of the division.
6. There will be no voters' list and because difficulties were encountered with non-proprietary electors voting in the last poll, the deputy returning officers are being instructed to request every proprietary elector to subscribe to a declaration that he or she is the owner of property liable to assessment and taxation for school purposes within the county or division. This is in accordance with section 250 of the school act which states:

Section 250 (1) the deputy returning officer shall, if requested by any proprietary elector, or may of his own accord, require any person tendering a vote to subscribe to the declaration in the form prescribed by the minister and any person subscribing to the declaration shall be permitted to vote.

(2) the declaration shall be subscribed in the presence of the returning officer or deputy returning officer and the poll clerk, who shall subscribe their names as witnesses thereof.

(3) each declaration made under this section shall be retained by the returning officer.

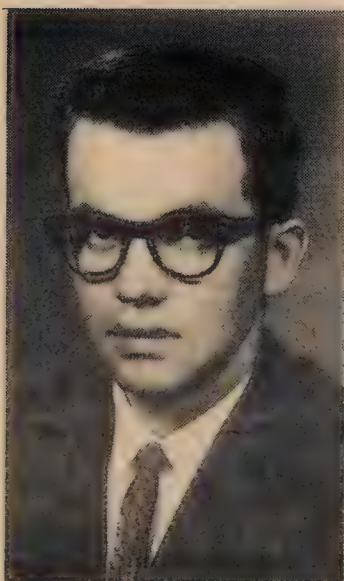

(4) if a person who desires to vote refuses or fails to sign the declaration when required to do so, the poll clerk shall make a check mark in the column headed "refused declaration" in the poll book, and the person refusing shall at once leave the polling place and shall not be allowed to enter again or to vote.

To subscribe to the declaration, write down and bring the correct description of your property. For rural property the quarter section, township, and range are required while only the name of the hamlet, village, or town is required for subdivided property.

7. Section 251 - a person subscribing to a declaration containing any false statement, is guilty of an offence and liable on summary conviction to a penalty not exceeding fifty (\$50.00) dollars.
8. Section 248 (4) a proprietary elector is entitled to vote only once upon a by-law.

DEDUCTING FARM LOSSES FROM WAGES

Alberta farmers who supplement their income from other sources are concerned about the apparent lack of consistency with which their farming operations are treated by the Department of National Revenue, reports W.M. Bayda, agricultural economist with the provincial department of agriculture.

It seems that when the farm makes a profit, it is treated as a taxable business and the income is added to the off-farm income for taxation purposes. However, when the farm shows a loss it is up to the discretion of the taxation official handling the case whether it will be considered a personal venture, meaning that the losses cannot be deducted from other sources of income, or whether it will be still considered a business with the losses being deductible. Such a situation, says Mr. Bayda, is very confusing and unsatisfactory, especially as tax officials seem to discriminate against the small farmer when it comes to deducting losses from wages, but not when it comes to taxing profits.

Perhaps it would be well for tax officials to familiarize themselves with the farming operation rather than to make a blanket assumption that all small farming operations are illegitimate and exist to defraud the government of tax revenue by operating at a loss. Either the farm should be considered a non-taxable personal venture or it should be considered a taxable business, but not both.

A typical case illustrating this situation was heard by the Income Tax Appeal Board in Calgary on August 20th, 1969. (John R. Unger V.M.N.R., Tax A. B. C., 1969).

John R. Unger of the town of Olds, was for many years a part-time farmer and Singer Sewing Machine salesman. In the years 1956 and 1957 he filed income tax returns claiming the farm losses against his wages, but had these losses disallowed.

In disallowing the 1957 losses, the tax department gave the following explanation: "The present loss reported as a result of your farming activities indicates that, for income purposes, this cannot be viewed as a farming operation. This loss, therefore, is considered to be personal and is disallowed under Section 12 (1) (h) of the Income Tax Act."

10 Yr. Summary of Mr. Unger's Farming Operations

YEAR	TOTAL FARM SALES -dollars-	LOSS -dollars-	PROFIT -dollars-
1956	230.10	498.99	
1957	330.00	744.06	
1958	3,128.36		1,257.58
1959	1,076.33		71.89
1960	1,028.54	78.48	
1961	2,297.53		226.19
1962	2,264.02	16.41	
1963	2,285.55		832.12
1964	2,351.61	75.81	
1965	3,248.88		1,161.58
1966	4,401.62		2,938.44

Mr. Unger's lawyer pointed out that when his client bought cattle in the years prior to 1965, he was not allowed to claim them as an expense because they were considered a personal expenditure. However, when he sold these same animals in 1965 and 1966 and showed a profit, they were considered a business receipt and such were subject to taxation on their full sale value, despite the fact that they had never been deducted as an expense when they were bought.

The real issue in this case, explains Mr. Bayda, was the

Department of Revenue trying to tax 1965 and 1966 farm profits without allowing prior year losses. Their excuse was that a review of total sales indicated that the scale of the operation had been steadily rising, making it large enough to become a taxable business by 1965. Why did the Taxation Department only go back to 1965 when reassessing the taxpayer instead of including some of the prior years?

Mr. Unger won his appeal and the assessments were referred back to the Department of National Revenue for adjustment.

D. V. Highlights

BY MRS. EDITH DEBY

Because cattle thieves are at work in this locality some cattlemen are planning to resume the practice of branding their livestock. Persons thinking of stocking their deep freezes in this illegal manner might do well to consider the unpleasant situation which might arise if an irate stock owner found them while the branding iron was still hot.

Mr. Elmore Lawrence had a stay in hospital last week. Hope you are feeling well again, Mr. Lawrence.

Mrs. Edith Dunington sends greetings from Summerland to all her friends.

Mrs. Edward Hines Jr. had the misfortune to break a bone in her ankle and will be going around

with her foot swathed in bandages for some time.

Mr. Vic Ball is home again after a stay in an Edmonton hospital where he had an operation on his lung. Vic's many friends are happy that he is now on the road to complete recovery.

The "in" thing these days in our town is Mrs. Pederson's art classes for children. In our house time is measured from one Monday to the next.

Elsewhere in this paper you will read details of the plebiscite for the proposed new school in Evansburg. It is hoped that all property-owners both town and country, will read the facts set forth and plan to vote on December 4th in the Elementary School, Drayton Valley between the hours of 3 to 8 p.m.

Winners at the whist party in Dunington Hall last Saturday were: High, Mrs. Robert Landers Jr. and Mr. Calvin Bartlett, Low, Mr. Edward Hines Sr. and Mrs. H.T. Deby.

Get better soon wishes go to Mrs. Harold Hammerlind who suffered painful injuries when she slipped on an icy step on the weekend.

High School Provincial Basketball Champions of 1968-69, this Friday evening at the local high school gymnasium. The local high school has been invited and have accepted, the invitation into the powerful North Central High School Basketball League that has produced four provincial basketball championships in the past nine years. For local basketball fans this means contests of the highest calibre and greatest excitement. Following this Friday's battle with Salisbury High, the team will travel with their sister team, the Warriorettes, to Concordia College the following Friday and then return home the following week to host Paul Kane High of St. Albert.

TOMAHAWK NEWS

Mr. and Mrs. Walter Medd, accompanied by Mrs. Medd's father, Mr. Stanley Harrison, left by truck camper on a trip to San Pedro, California recently. Mr. Fred Harrison also went to San Pedro, but he flew down to join them. Fred, we are told, is very keen on flying and says it's the only way to travel.

Constable John Gilbert from Burnaby, B.C. was in Tomahawk for a week visiting with his parents, Mr. and Mrs. Howard Gilbert. They were very pleased to hear of his engagement to Miss Lynne Webster of Ottawa, the wedding to take place in April.

We were very sorry to hear that Mrs. John Siebls of Tomahawk, who has been in the Drayton Valley Hospital for some time, has been moved to the University Hospital in Edmonton. We sincerely hope that she will be feeling better soon. This comes from her many friends here, who are all pulling for her.

Congratulations to Daniel Shepel of Tomahawk who is now Constable Daniel Shepel of the R.C.M.P. His graduation took place in Regina on November 3rd and he is now stationed in Eastern Ontario.

Preparations are now underway for the new club house at the Recreation rink in Tomahawk.

The Tomahawk Rockets are off to a flying start this year. On November 12th they defeated the Drayton Valley Lions 3-0, on November 14th came up with another win against the Drayton Valley Elks 4-1. Keep up the good work boys, we're proud of you.

Mr. and Mrs. Lawrence Rausch and family (nee Donna Piskunowicz of Tomahawk) were recent visitors at the home of her parents, Mr. and Mrs. Adolph Piskunowicz. Donna and Larry have just returned from Tripoli where Larry was employed with an oil company. When the revolution broke out there, they managed to leave just two days before the borders were closed to all outgoing travellers. Before returning home they visited Rome, Geneva and Germany. They will be residing in Fort St. John from now on.

COUNTY OF PARKLAND No. 31

APPLICATIONS FOR SCHOOL BUS OPERATION

The School Committee of the County of Parkland No. 31 invites applications for a School Bus Operator.

The successful applicant will be required to purchase, from the County, a 1963 Ford 54 passenger school bus in fairly good condition for the sum of \$3,250.00. The school bus is being resold in an "AS IS" condition with no warranties attached.

The route to be serviced is directly north of the Devon Schools. The daily mileage to be travelled will be about 58 and the route will pay approximately \$28.00 per day. This is the route presently serviced by Mr. D.O. Clarke.

Applicants must have a Class "A" Alberta Operator's license (A plus after December 31, 1969) and must possess a reputable character and good driving record.

Applications should be submitted in writing to the attention of the undersigned at the County Office in Stony Plain not later than 5:00 p.m. on Monday, December 1, 1969.

The School Committee reserves the right to accept or reject any application.

Pest Control Products Act

Parliament has streamlined the legislation governing the production, sale and use of pesticides by updating the Pest Control Products Act of 1939. The new legislation will be effective for the new crop year.

Pesticides have made a tremendous impact on our twentieth century world. They have made it possible for farmers to produce greater quantities of high quality food more economically; they have also made it possible for all of us to live, work and play in considerably more comfort and health than our forefathers enjoyed.

The list of pests farmers deal with daily is formidable. About 2,500 different insects and related organisms attack Canadian crops and gardens. There are 1,000 different kinds of weeds. Several hundred animal diseases and pests plague farm animals and pets.

Weeds, pests and disease reduce production by a third. Some crops could not be grown without chemical help; yields of other crops would be greatly reduced; food quality would suffer because many items would be infected with fungi and insects. That's why farmers need pesticides.

These chemicals also have hundreds of uses in industry and the home. Fumigants kill bugs in warehouses, growth suppressants control weeds at airports and along power and pipe lines; public health authorities use pesticides to check the spread of disease and nuisance insects; the forestry industry prevents millions of dollars of damage annually with the aid of pesticides and resort and home owners also use pesticides in large quantities. The list is endless.

Although pesticides bring untold benefits, they can also cause trouble if they are not handled properly. Careless use of pest control products can lead to food contamination, damage to crops and human and animal injury.

Society needs protection from the misuse of pesticides. The federal government is involved in a concerted effort to ensure that the pesticides made available to the public are manufactured properly, labelled correctly and that they are both effective and safe when used as directed. Last year the Plant Products Division of the Canada Department of Agriculture registered more than 3,300 pesticides as part of this government control program.

The increasing use and potency of pesticides and associated products has made broader legislation for control necessary. The updated Pest Control Products Act will serve this purpose.

It gives the Federal Government wider authority to regulate the manufacture, handling, use and advertising of pest control products. It also provides authority to regulate establishments manufacturing prescribed control products for export or interprovincial movement.

The Pest Control Products Act assures that the manufacturers' label recommendations are adequately supported by evidence as to effectiveness and safety. The updated version broadens the terms of reference to include a wider range of products used to protect and improve crop production.

The new legislation also covers other control products and products used as a companion or supplement to pesticides and control products. Examples of these are plant growth modifiers such as sprout inhibitors, potato top killers, fruit stop-drop sprays, emulsifiers, stickers and stabilizers.

This provision is made for protection against cross contamination — the type of problem that could arise if the same equipment is used without careful cleaning for different pesticides.

LODGEPOLE NEWS

A good crowd attended the bingo on November 19th. Winners were Keith Kyle, Vicki and Leslie Schultz, Ernie and Wayne Joesting, Mrs. Bratt, Mrs. Vivian Shaw, Mr. McGregor, Debbie Beath, Mrs. Kalischuk, Mrs. Hession. Grand prize winner was Ernie Joesting.

Mr. and Mrs. Stan Lindberg have moved from D lease to the former Knapp home in town.

Congratulations to Sydney Schmidt, son of Mr. and Mrs. J. Schmidt, whose marriage took place in Edmonton on Saturday, November 22nd.

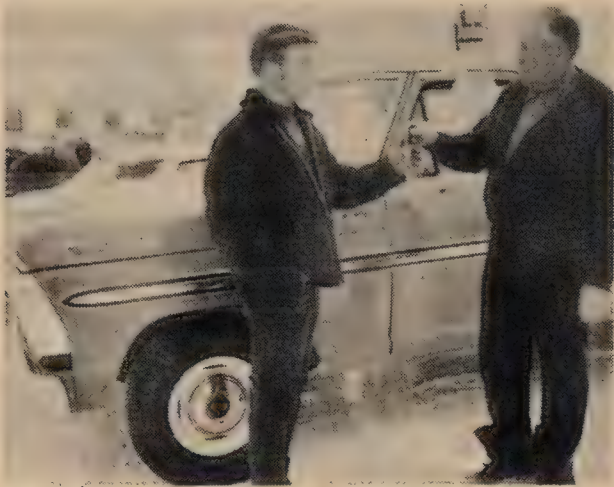

Symphony is extended to the D. Bolianitz family. They attended the funeral of Mrs. Bolianitz's sister-in-law in Edmonton on November 26th.

The residents of the community are invited to a special missionary service to be held in the Lodgepole School at 3:30 p.m. on Sunday, November 30th. A film will be shown and opportunity will be given to anyone wishing to question the missionary from Africa, who will be in attendance, regarding missionary work in the great country of Africa. A special invitation is extended to the parents of the children attending the Lodgepole Sunday School each Sunday from 3:30 to 4:30 p.m.

Doug Steeves is shown here receiving the C.W.L. award for highest marks in Grade 9 language last term from Mrs. L. Hook, C.W.L. president.

C.W.L. Meets At Evansburg

The regular monthly meeting of St. Elizabeth C.W.L. was held in the rectory November 17th with Father L. Gartner and 8 members present.

It was decided to raffie a Christmas food hamper to the value of \$30 instead of the Tea and Bake Sale. The draw to be made December 20th.

A live in study program is planned to teach the children the new Canadian Catechism on November 29th in the rectory. All parents are invited to come any time between 10 a.m. and 5 p.m.

Those who will be taking part in teaching Catechism are urged to be there, as there will be trained teachers to help organize the program and explain any questions that may arise.

Tomahawk Club Meets

The regular meeting of the Tomahawk 4-H Beef Club was held on November 18th at the home of Mr. J. Scheideman. Piskunowicz's were the co-hosts.

The pledge was lead by Jim Scheideman and roll call was "My Cal's Weight". The year's program was handed out to all the members and adult committee.

Joan Scheideman gave an interesting talk on 'Keeping Records'. The evening's business was insurance.

After a delicious lunch, films of our club leader's trip to Mexico were shown.

KEEPPHILLS NEWS

Sympathy is extended to the MacDougall families in the passing of Mrs. Ruby Patrick of Vancouver, B.C., a sister of Douglas, Stanley and Norah. Douglas has gone to Vancouver to attend the funeral. Mrs. Mabel Bryant spent a few days with Dorothy while Douglas was away. Mrs. Patrick had been in ill health for some time.

Propane is being installed in the school furnace which should keep the children cozy and warm.

The snow fall in the middle of last week has made about 8 inches on the ground now. The children at school seem to be the only ones who like it.

There are quite a few hunters in the district from outside points but it seems there is not too much to hunt, or maybe the animals are just smart enough to keep hidden.

Farmers are in the process of weaning their calves. So for a few days there will be plenty of noise, but it lets the neighbors know they are not altogether isolated with all the snow.

Mr. and Mrs. Tyler are still in the district visiting before returning to Manitoba.

Air Cadets Enjoy Flights Over Weekend

Saturday, November 22nd was a beautiful clear day. The Air Cadets of Drayton Valley Squadron #733 were especially pleased since an Otter Aircraft from Namao spent most of Saturday giving flights to the local Air Cadets.

Out of the squadron strength of sixty-seven, forty-six went up. Each cadet was given a "go" at the controls for about five minutes. All in all, a very memorable day.

Saturday was the fourth time this year that Cadets of the local squadron have participated in familiarization flying. In addition they have experienced Citizenship Tours, Survival Training at Camp Worthington, winter roasts, social parties, all in addition to their regular training every Thursday night.

On Sunday, November 30th a highlight of their year will

take place when they visit Whitecourt for one of the Inter-Squadron Tournament "Happenings". Three squadrons for the past three years have been co-operating in these visits to provide outside competition and socializing for their cadets.

Cadets are looking forward to the visit on Sunday where they will meet cadets from Whitecourt and Jasper Place and enjoy competition and convivial companionship.

Receives Degree

Mrs. G. Blair received her Bachelor of Education degree, With Distinction, at the Fall Convocation held in the Jubilee Auditorium on November 22nd. She is presently teaching at the Drayton Valley Junior High School.

Warriors Down Thorsby Team

The Sr. Warriors travelled to Thorsby for a pre-season exhibition basketball game this past Friday and came home 69-11 winners. The local coach used this game to look over some fine rookie talent.

On the score sheet Keith (Twiggy) Sodergren, led the way with a real fine 24 point performance. Ken Dusterhoft showed a good second half and a 11-point night. Center Doug Ibbotson came home with 8 points, Doug Steeves with 6, Ron Cameron and Don Bouschard also 6 points each, Lee Hurley with 4 and Stan Oulton and Larry Mattoon with 2 each.

Local fans will get their first look at the squad in action this Wednesday, 8:00 p.m. as they play host to the Warburg five.

Missionary Day Planned Sunday

Sunday, November 30th is Missionary Day at the Pentecostal Tabernacle in Drayton Valley. Rev. J. McBride and Rev. J. Duncalf of Kenya, Africa will be the special missionary guests. Service times are 11 a.m. and 7:30 p.m. In the evening service a missionary film will be shown.

Everyone is invited to attend these interesting and challenging missionary services. Those living in the Lodgepole area will be able to attend a special afternoon service to be held in the school during the regular Lodgepole Sunday School hour beginning at 3:30 p.m.

Neils Feted At Party

Members of All Saints Parish gathered in the Parish Hall on the evening of November 12th to bid farewell to Mr. and Mrs. Frank Neil who have been very active members within our church, they will indeed be missed very much. The W.A. presented Marion Neil with a silver spoon as a memento of their fellowship, and the vestry presented Frank and Marion with a framed photograph of All Saints Church. Games were enjoyed by everyone and the evening concluded with lunch served by members of the W.A.

Crop Insurance Extended To January 1st, 1970

The Alberta Minister of Lands and Forests announced last week that because of the amount of unharvested grain crops still left in the field, provision is being made to extend the date from December 1st to January 1st for accepting claims for damage to unharvested crops by wildlife.

Under the Wildlife Damage Fund Regulations the Alberta Department of Lands and Forests collects \$2.00 from each person buying a hunting licence and this is placed in a wildlife damage fund. Farmers who suffer damage from wildlife to unharvested grain crops may make a claim for compensation from this fund. These claims are dealt with by the Hail Insurance

Board who set the amount of compensation payable. The regulations state that \$15.00 per acre is the maximum amount payable for loss or destruction of any crop.

Farewell Party

A farewell party for Frank and Marion Neil will be held at the Scout Hall at 9:00 p.m. on Saturday, November 29th.

Anyone wishing tickets should contact Mrs. Goble at 542-4144 or Mrs. Peggy Gerke at 542-3201.

IN MEMORIAM

In Loving Memory of Alfred Lainchbury, father and grandfather.
Nine years have passed since that sad day,
When one we loved was taken away
The Blow was great, The shock severe
We little thought that end was near.
And only those who have lost can tell
The pain of parting without farewell
More each day we miss you dad
To hear your voice and see your smile
To sit with you and talk awhile
To be together in the same old way
Would be our greatest wish today
Friends may think the wound has healed
But they little know the sorrow that lies
Within our hearts concealed.
Ever remembered and loved
By Andrew, Thelma and Family.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending November 20, 1969 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week's est.	13700	6700	7000	3150	920
Last week	8965	3903	5062	1715	61
Same week 1968	14390	7877	6513	2487	1221

SUMMARY
Receipts considered normal for the season. There were 2100 head of cattle and calves through billed. Approx. 78% of cattle and calf sales were replacement classes. Trade was generally active throughout the week on all replacement and slaughter classes. Butcher steers and heifers sold on a firm basis with choice handyweights mostly 25 higher. Cows closing 50 lower. Bulls closing 50 - 1.00 higher. Veal and butcher calves 1.00 to 2.00 higher - Replacements fully steady.

Slaughter Cattle & Calves --
Although there was a fair run of slaughter steers and heifers on offer this week, offerings contained quite a few heavy out-weights and overfinished kinds at discount prices. Both handyweights and good conditioned steers and heifers were in good demand with sales to 26.80 for steers and to 25.80 for lighter weight choice butcher heifers. Good butcher cows opened on a firm basis with odd sales to 21 at mid week but were closing lower at a practical top of 20 with sales to 20.30. Medium and lower grades

of slaughter cows were generally steady. Bulls were 50 to 1.00 higher with odd sales over 23.
Replacement Cattle & Calves-
There was practically no change in prices this past week for replacement cattle and calves except for stock cows which were in good demand at prices 50 to 1.00 higher.
Shipments -- Last week's out-of-province cattle and calf shipments. East 2500 feeders, 325 for slaughter. Saskatchewan 170 feeders 27 for slaughter. To B.C. 315 for slaughter. Feeders to southern Alberta 1020.

CLOSING QUOTATIONS
1968 Quotations in Brackets.
SLAUGHTER CATTLE
Choice steers 26 to 26.50 (25.50 to 26) good 25.25 to 26, medium 24 to 25. Choice heifers 25 to 25.60 (24.50 to 25) good 24.25 to 25, medium 22.50 to 24. Good cows 19 to 20, odd sale higher (15 to 16), medium 18 to 19. Cannors & Cutters 16.50 to 17.50. Shells 15 to 16. Good bulls 21 to 23, (18 to 20.50)
REPLACEMENT CATTLE & CALVES

Good feeder steers (750 & under) 30 to 33.50 (26.50 to 27.50) (750 & up) 26 to 30 (25 to 26.50) common to medium 23 to 28.
Good stock and feeder heifers 25.50 to 28.50, (22 to 23.50) common to medium 21 to 25. Stock cows 20 to 25.50, (14 to 17). Good stock steer calves (400 & under) 38 to 40.50, (30 to 32). (400 & up) 35 to 38 (27 to 30), common to medium 27 to 35. Good stock heifer calves 30 to 33.50 (23.50 to 25), common to medium 26 to 30.
SLAUGHTER CALVES

Good to choice (350 & under) 33 to 36 (25 to 27). (350 - 450) 30 to 33. (400 up) 26 to 30. Common and boner calves 21 to 24.
HOGS

A.H.P.M. Board, Monday to Thursday range 35.00 to 38.05 base price. Thursday's range 35.00 to 35.65 base price. Sows ranged 25.50 to 25.85 dressed. Good boars 75 higher at 16.25 cwt. 1360 feeder hogs sold Tuesday and Thursday afternoon ranging from 36.40 cwt. for 90 lb. feeders down to 26 cwt. for heavier kinds. Weaners and light feeders sold by the head from 13.75 to 30.50 each.
SHEEP & LAMBS
Good to choice butcher lambs 1.00 higher, sales to 26.00 cwt. Feeder lambs ranged from 23 to 29.50 depending on weight, (cwt).

The satisfaction of dealing with the old-fashioned blacksmith was that when you brought him your horse to be shod he didn't think of 20 other things that ought to be done.

Summary Regular Meeting Of Parkland Council

Regular meeting of the Parkland County Council was continued on Thursday, November 13th.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

A petition containing 14 signatures was presented to the Council requesting that the road allowance at Ascot Beach west of the SW 9-53-4-5 not be improved.

It was agreed that the person responsible for the obstructions on this road allowance be requested to remove them and that the road allowance not be improved.

It was agreed to contribute the sum of \$125 to cover the cost of the hall and orchestra for the 1969 Employees Association Annual Banquet.

Request for gravelling of the road to the NE 6-51-6-5 was re-

ceived from Mr. Herman Welk of Tomahawk. Referred to the Public Works Committee for inspection, when in area.

POLICE COMMITTEE RECOMMENDATION

The Police Committee recommended that the County employ a Mobile Home and Mobile Equipment Licensing Inspector and as well to assist the Development Control Officer.

Land sale tender for NE 31-54-6-5. It was agreed that tender of Mr. R.A. Faulder of Edmonton for the amount of \$2,100.00 be accepted.

Mr. John L. Goertz of Stony Plain was present at the meeting in connection with a letter he received from the Department of Water Resources as a result of a complaint made about drainage on the N 1/2 24-52-28-4. Mr. Goertz also requested construction of the road west of section 25-52-1-5.

It was agreed that the Public Works Committee inspect the road west of 25-52-1-5 in 1970. Councillor Robert A. Bailey was in attendance for the afternoon session.

TRANSFER OF GRANT FUNDS

It was agreed that request be made for reallocation of grant funds as follows: Funds for construction in the S 1/2 29-51-2-5 to be reallocated to west of sections 13, 24 & 25-51-1-5. Funds for gravelling on the Duffield road to be reallocated to the Rocky Rapids road.

It was agreed to purchase one one-way truck snow plow from Costello Equipment Co. Ltd. for the sum of \$1,725.00.

Preliminary agreements were approved as follows: 42 feet of land for road widening purposes on the south side of the SW 2-52-4-5 with compensation of \$100 per acre for land and the County to construct the fence. A 400' x 60' strip of land for an approach road to the Highvale Cemetery in the SE 1-52-4-5 with compensation of \$100.

Backslope agreements were approved as follows: Backslope on the east side of the SE 2-52-4-5. Backslope on the NE 23-53-5-5.

Easement for brushing on the SW 25-52-5-5 was approved.

GRAVEL AGREEMENTS

Gravel agreements were approved as follows: NW 6-50-6-5, Mr. Edward Schadeck; SW 25 & SW 36-51-6-5, Mr. Walter Ditchuk; NE 10-52-7-5, Mr. Frank Banks; SW 2-53-6-5, Mr. Nick Romaniuk; NE 1-52-6-5, Mr. Michael Bobrownik; SW 3-52-4-5, John and Nancy Mielnichuk.

It was agreed to authorize construction of the road south of section 25-51-1-5 and south of section 25-51-28-4.

Resolutions to be presented to the forthcoming Annual Convention of the Alberta Association of Municipal Districts & Counties were discussed and considered in detail.

RAMONA NEWS

Ramona held its monthly bingo on Tuesday, November 18th. Raffle prize winners were Edwin Hallett, Michael Blake and Terry Blake, the door prize winners were Bob Anderson, Doris Combs and Marg Pollard. Our next bingo will be held Tuesday, December 9th, the jackpot will be \$125.

Sheila, Debbie and Raymond Kmyta are visiting with their grandparents Mr. and Mrs. Mike Kmyta. Sheila is going to school with Uncle David and Uncle Bob.

Andy Kmyta was out from Edmonton on the weekend to visit his folks and children.

Thursday, November 27th, the second class for making Christmas decorations will start at 7:30 p.m. Anyone interested in taking this course may phone Phyllis Kelly at 542-2226 or Marion Kmyta at 542-2225.

These lessons are to show you how to make beautiful Christmas decorations out of egg cartons, newspapers, can lids, etc.

Olga Mulyk fell last week and hurt her back. She had to stay home from work for a few days but we are happy to hear she is feeling better now.

Olga Mulyk and Mrs. Solomon drove to Redwater on Monday to visit Olga's folks. We hope you had a good trip ladies.

Craig Hallett is back in the Drayton Valley Hospital after spending 16 weeks in the University Hospital. We hope you will soon be able to go home Craig.

Mrs. Pastechuk was in the Drayton Valley Hospital for a few days last week. We hope you are feeling much better now Mrs. Pastechuk.

Kelly Davis is back in school this week after spending a few days in the hospital last week having her tonsils and adenoids removed.

Daffy-nition: Worry is the interest we pay on trouble before it falls due.
